

Codi Safonau mewn Saesneg a Mathemateg gan ddefnyddio Technoleg gyda Lee Parkinson, aka Mr P ICT

Raising Standards in English and Maths using Technology with Lee Parkinson, aka Mr P ICT

*An exceeding-LEE ins-P-irrational day with Mr P ICT & Denbighshire Primary School Teachers.
Perfect pitch, word perfect, engaging throughout!*

Pan osodwyd her i Gydlynnydd Cyfoethogi Cwricwlwm Sir Ddinbych gan athrawon ysgol gynradd i ddod o hyd i arbenigwr TGCh a allai ddarparu hyfforddiant i staff ar "Godi Safonau mewn Saesneg a Mathemateg gan ddefnyddio Technoleg", dim ond un person oedd ganddynt mewn golwg - **Lee Parkinson**, aka **Mr P ICT** - ni fyddai neb, ond neb arall, yn gwneud y tro!

Yr hyn yr oedd yr athrawon cyfeillgar, blaengar a brwdfrydig hyn yn gofyn amdan oedd i Mr P ICT rannu ei alluoedd TGCh unigryw, a'i ddyfeisgarwch ac apps gyda nhw, er mwyn eu rhoi rhoi ar y trywydd iawn yn ddigidol yn Sir Ddinbych.

Bu Lee Parkinson, aka Mr P ICT, yn athro Cynradd ers 10 mlynedd, lle mae wedi meithrin cyfoeth o syniadau ar gyfer sut y gellir ymgorffori technoleg ar draws y cwricwlwm. Mae'n darparu hyfforddiant yn genedlaethol ac yn rhyngwladol ar gyfer athrawon ac ysgolion, gan edrych i ddefnyddio technoleg fodern i wella addysg a dysgu yn yr ystafell ddosbarth.

Ar ei ymweliad cyntaf â Sir Ddinbych, fe wfreiddiodd cynulleidfa o athrawon yng Nghanolfan OpTIC, Prifysgol Glyndŵr, Parc Busnes Llanellwy, Llanellwy, mewn seminar am ddiwrnod cyfan gan rannu syniadau'n llawn o weithgareddau ymarferol, y gellid eu defnyddio ar unwaith yn yr ystafell ddosbarth. Gyda chysylltiadau penodol â'r cwricwlwm, dangosodd y diwrnod sut y gall technoleg ymgysylltu â llythrennedd a rhifedd, pan gaiff ei ddefnyddio'n gywir.

When Denbighshire's Curriculum Enrichment Co-ordinator was set a challenge by primary school teachers to source an ICT specialist who could provide training to staff in "Raising Standards in English and Maths using Technology", there was only one person they had in mind – **Lee Parkinson**, aka **Mr P ICT** – no one, but no one else, would do!

What these friendly, progressive and enthusiastic teachers were specifically requesting was for Mr P ICT to share his unique ICT abilities, flair and apps with them, to put them on the right track digitally in Denbighshire.

Lee Parkinson, aka Mr P ICT, has been a Primary teacher for 10 years, where he has built up a wealth of ideas for how technology can be embedded right across the curriculum. He provides training nationally and internationally for teachers and schools, looking to utilise modern day technology to enhance teaching and learning in the classroom.

On his first visit to Denbighshire, he thrilled an audience of teachers at the OpTIC Centre, Glyndŵr University, St Asaph Business Park, St Asaph, in a day-long seminar, sharing ideas full of practical activities, which could be used straightaway in the classroom. With specific links to the curriculum, the day demonstrated how, when used correctly, technology can not only engage but enhance literacy and numeracy.

Darparodd Mr P ICT ddiwrnod hyfforddi oedd yn gyfoethog gyda thechnegau sydd eisoes wedi'u profi i wella addysg trwy ysgol cyfan.

Mr P ICT provided a training day, rich with tried and tested techniques to improve and enhance learning throughout a whole school.

Gydag enghreifftiau a syniadau ar gyfer gwersi, fe ymadawodd athrawon Sir Ddinbych wedi'u hysbrydoli i archwilio a dangos eu doniau creadigol eu hunain yn eu hystafelloedd dosbarth eu hunain, yn fwy hyderus trwy fod wedi cael eu tiwtora gan un o ymarferwyr blaenllaw'r wlad mewn codi safonau gan ddefnyddio technoleg.

With examples and lesson ideas, Denbighshire teachers left inspired to explore and showcase their own creative talents in the classroom, confident through having been tutored by one of the country's leading practitioners in raising standards using technology.

Beth oedd yr athrawon yn ei ddweud ... / What the teachers had to say...

Wonderful course with Mr P ICT. Extremely relevant to the new digital framework...

Lots of apps to now try out in class - some that I've never even heard of! Thanks Mr P ICT.

I've never been so eager to get home to do school work! Thanks Mr P ICT for brilliant ideas to engage & inspire!

Fantastic ideas from Mr P ICT for all aspects of school and different ages.

Wonderful ideas that appeal to the pupils & inspire teachers!

Amazing course, full of interesting ideas & initiatives which I'm looking forward to implementing within my school.

Thanks Mr P ICT.

Syniadau gwych. Clir a dealladwy. Perthnasol iawn er mwyn ei ddefnyddio ar lawr y dosbarth. Diolch Mr P ICT.

All very relevant & worthwhile. Amazing course! Superb ideas! Very inspirational!

Bang up to date. Everyone needs to access this training!

Fabulous training from Mr P ICT. Inspirational ideas to raise standards in Eng & Maths.

Most enjoyable & useful course ever!
