Denbighshire Schools' Short Story Challenge

'Once Upon A Story...'

Sharing stories. Sharing adventures.

On World Book Day, 4 March 2021, we're delighted to announce the winners of Denbighshire Schools' Short Story Competition.

In February 2021, Denbighshire Education and Children's Services teamed up with Denbighshire Library Services, to celebrate Michael Morpurgo Month. They invited children in schools across the county to read and take inspiration from Michael Morpurgo's books, put pen to paper and enter a short story writing challenge.

Competition judge, Bethan Hughes, Denbighshire's Principal Librarian said, "The entries for the challenge show that children in Denbighshire are readers and have very vivid imaginations. They know how to shape an exciting story with memorable characters, humour and suspense."

She thanked everyone who sent in a story and said, "I enjoyed reading them all and I hope that all our young writers continue to write and create great stories, inspired by the books they read and the stories they hear."

The winning stories will be published via the Denbighshire Curriculum Enrichment website - www.denbighshireenrichment.com and Denbighshire Library Service's Borrowbox, for everyone to read and enjoy.
